

Mayor Corona's Monthly Community Forum

Monday December 19th

7:00PM-8:00PM

West Wendover Library

Mayor Corona is excited to announce his first monthly community forum. Mayor Corona understands that setting up a meeting with him at City Hall can be a hassle and that is why he has committed to holding these monthly forums. This forum is your opportunity to meet with Mayor Corona in a casual setting and talk about the issues important to you!
