Press Release

Santiago Communities announces growth plans for West Wendover, NV

Bringing affordable housing to Santiago Wendover Estates

West Wendover, NV, April 13, 2017: Santiago Communities is thrilled to announce that they will be bringing new affordable manufactured homes to their West Wendover, NV community, Santiago Wendover Estates. Brenda Claiborne, Community Manager and Salesperson for Santiago Wendover Estates shared that their first new homes have been ordered and are expected to be available for showing by mid to late May.

Tandra Grace, Vice President of Sales for Santiago Communities said that their company is committed to being a resource and partner to the West Wendover community. Having Brenda Claiborne join our team in the last quarter of 2016 positions us to be the preferred Mobile Home Community in the area. Brenda comes to our company with over 25 years of management and customer service relations. She strongly believes in community, volunteerism and helping people realize their dreams. We're delighted to have Brenda on our team serving the West Wendover area and look forward to the coming months as we shape our Mobile Home Community.

With more than [42 locations](#) in Arizona, California, Colorado, Nevada and Washington, a Santiago Community is sure to be the perfect place for your family to settle. And regardless of which community you choose to call home, you'll find a welcoming environment that reflects the pride of ownership of our residents. So, come and visit Santiago Wendover Estates today, and let us welcome you home.
