

FINAL BUDGET

2017-2018

CITY OF WEST WENDOVER

P.O. Box 2825 • 1111 N. Gene L. Jones Way • West Wendover, NV 89883
Office (775) 664-3081 Fax (775) 664-3720

Nevada Department of Taxation
1550 College Parkway, Suite 115
Carson City, NV 89706-7921

City of West Wendover herewith submits the FINAL budget for the
fiscal year ending June 30, 2018

This budget contains 1 funds, including Debt Service, requiring property tax revenues totaling \$ 1,482,600

The property tax rates computed herein are based on preliminary data. If the final state computed revenue limitation permits, the tax rate will be increased by an amount not to exceed 1. If the final computation requires, the tax rate will be lowered.

This budget contains 9 governmental fund types with estimated expenditures of \$ 9,650,700 and 5 proprietary funds with estimated expenses of \$ 5,755,600

Copies of this budget have been filed for public record and inspection in the offices enumerated in NRS 354.596 (Local Government Budget and Finance Act).

CERTIFICATION

I Michelle Giovo
(Printed Name)
City Chief Financial Officer

(Title)
certify that all applicable funds and financial operations of this Local Government are listed herein

BUDGET MESSAGE**2017-2018****CITY OF WEST WENDOVER**

The fiscal year 2017-2018 budget for the City of West Wendover includes an ending general fund balance that is 9.51% of general fund expenditures. This decrease from current year projected ending balance is due primarily to the increase to employee wages as required by current labor agreements and due to projected Property and Consolidated Taxes that are less than current year estimates.

West Wendover's economy is primarily tourism-based, making the city subject to economic fluctuations as consumers spend their discretionary income. Therefore, the City of West Wendover's governing council and city management have adopted a conservative budget philosophy, allowing the fund balances to increase in prosperous years, and conservatively utilizing the fund balances as needed in other years. The governing council and city management uses this conservative budgeting approach when estimating revenues, and expenditures.

The City participated with the Elko County School District in completing Florence Way Phase 2 and 3 that were associated with the School District's new West Wendover Elementary School which opened in late 2016. Improvements were made to the Leppy Hills Trails system after they were significantly damaged from 100 year rain events which occurred last spring. Projects related to our streets, including storm drainage improvements, are also underway and will be a focus during the next few years. Currently, the City is starting design work for a new fire station which will be completed in conjunction with a land acquisition from BLM to facilitate the development of the City's Downtown area in the near future.

The city and county gaming taxes and charges for services have remained constant the last few years. There is still some growth in new businesses in West Wendover with a new mini-mall project now under construction that will house several new businesses such as an auto care service center and car wash, a dry cleaner service and potentially a new fast food restaurant. Additionally a large Las Vegas liquor store chain purchased and is now constructing a 25,000 square foot liquor store which will be the largest in northern Nevada. Additionally the project includes the construction of an adjacent business pad for the development of small retail at the same location, such as a restaurant. With the Nevada Law concerning medical marijuana now in place and now with recreational marijuana being legal, the City has been contacted by several Nevada licensed marijuana facilities interested in expanding their Nevada business into our community.

Approximately 30 acres of land purchased from BLM has been designed and developed as an initial industrial park for the community. The City has developed the property providing it with street and utility infrastructure making it immediately available for development and the City continues to actively pursue industries to locate therein with light industrial and warehousing type uses. This will assist the City with its continued efforts of economic diversification including the addition of job opportunities and income growth for the community. With the industrial park in place, the City has positioned itself for solid diversification growth. The industrial park currently is home to a recent FedEx shipping/transportation facility and a vehicle tow facility in addition to new interest related to the Long Canyon Gold mine which is now in full operation.

The Port of West Wendover, which is a long-term mixed use industrial/aeronautical project and part of the City's diversification strategic plan continues to proceed forward. The project includes the acquisition (at no cost) of an initial 6,000 acres of property which was part of the former Wendover Field properties of World War II. The property received environmental clearance from the U.S. Air Force in September of 2014 which resulted in its release back to the Bureau of Land Management. The City continues to be diligent in completing the acquisition process now working through the Bureau of Land Management conveyance process which will result in the property being deeded to the City in the near future.

The City is expecting growth in the residential housing market as the economy continues its recovery from the Great Recession. Additionally the Long Canyon Gold Mine is now in full operation and is now completing its environmental process for Phase 2, which is an expansion of the project. Such expansion will continue likely for decades to come given the rich and abundant gold deposits of the Long Canyon area which influences positive growth in our area. This provides a positive outlook on the housing situation in the community over the next 5 to 10 years. The City is currently working with contractors to complete homes on the 14 housing lots which the City owns as part of a single-family residential subdivision. Through a development agreement, discounts are being provided to potential buyers who will close on their home purchases during the next five years. These new homes will add to our property tax and will help the housing market which is expected to incrementally rise through the next 5 year period when combining the development of the City owned lots with the additional developments of private developers in other areas.

Our outlook at the City long-term is positive and optimistic. The enthusiasm associated with the recent and planned growth of our City is shared not only by our City Officials, but our citizens as well. We feel the future is full of promise and look forward to a brighter national and state economy that will have a positive effect on our community.
