Tues., July 18th

Wed., July 19th, 2017

4:00 PM (MST)

The West Wendover Branch Library invites youth, **ages 10 to 18**, to explore, discover, create, and invent “things” at the Library. Bring your imagination and join us for this fun and engaging program. Participants will learn about alternative forms of energy, energy efficient construction materials, and more. Are you up to the challenge? Parents are encouraged to participate. The Library will provide all of the materials. To sign-up for event, please visit us at 590 Camper Dr. or contact the Library at (775) 664-2510.
