**Learn about Wind Power with Electricity Generating Turbines
& Build these COOL ideas and more!**

The West Wendover Branch Library invites youth, ages 8 to 18, to explore, discover, create, and invent “things” at the Library. Bring your imagination and join us for this fun and engaging program. Participants will learn about alternative forms of energy, energy efficient construction materials, and more. Are you up to the challenge? The Library will provide all of the materials. Parents are welcome to participate. Please stop by library or give us a call so you don’t miss this great evening of fun.

The FUN begins at 5:30 Tues. Oct. 17
