*Discover the world through books, explore, create, and invent “things” at the Library. Bring your imagination and join us for this fun and engaging program. Participants will learn about places, how things work, and more. Parents are encouraged to participate. Join the Family Book Club & read a children’s novel as a family. A Parenting Class will be facilitated also at the library by the Wells Family Resource Center held monthly. All of the materials are provided at the library in collaboration with*

*Wells Family Resource Center and through various grants. Program is free!*

*For questions, please contact the W. Wendover Branch Public Library.*
