

SMART ENVIRONMENTAL PROBLEM SOLVING

STARTS WITH BEP

The Nevada Business Environmental Program (BEP) has been helping businesses improve environmental compliance and minimize environmental impacts for over 30 years. Contact BEP to see how we can help your business.

Compliance

Regulatory compliance and permitting can be confusing, BEP is here to help. Tap into our professional staff for one-on-one consulting assistance with:

- Environmental regulatory requirements
- Permit applications, forms, and plans

The Business Case for Environmental Sustainability

Environmental and energy improvements can save money and streamline your environmental impacts, BEP is here to help identify those opportunities.

- Cut wastes and emissions
- Improve energy and water efficiency
- Save money and time
- Find sources of financing for environmental upgrades

Free and Confidential Assistance

BUSINESS ENVIRONMENTAL PROGRAM NEVADA

The Nevada Business Environmental Program (BEP) serves the entire state through offices in Reno and Las Vegas. BEP provides free and confidential environmental compliance and management assistance to help you improve your business. Our focus is on making Nevada's businesses stronger and environmentally responsible.

Manage your business environmental issues upfront, so you can save money and be efficient. Minimize your environmental impacts to streamline your compliance and permitting requirements.

One-on-One Assistance

Call one of our environmental professionals at 800.882.3233. We provide answers to all types of environmental compliance and management questions. We can provide help over the phone, by email, or meet with you at our offices or yours.

On-Site Assessments

We are available for meetings and site visits to provide a fresh set of eyes. While on-site, we can provide assistance with:

- Environmental compliance and permitting questions
- Sustainability plans and strategies
- Identification of waste minimization and energy efficiency opportunities

Trainings & Publications

We help keep businesses informed about environmental requirements, new policy developments, and regulatory changes. We offer guidance documents, fact sheets, forms, and answers to frequently asked questions on our website at www.unrbep.org. Please refer to the "events" section of our website for current trainings, workshops, and webinars.

Is there a charge for BEP assistance?

No, all services are offered at no cost.

Supported by:

Are BEP services confidential?

Yes, all BEP services are always strictly confidential.
