BUDGET MESSAGE

2021-2022

CITY OF WEST WENDOVER

The fiscal year 2021-2022 budget for the City of West Wendover includes an ending general fund balance that is 32.74% of FY19-20 actual general fund expenditures or 25.95% of FY21-22 projected budget general fund expenditures. This decrease from the projected ending balance for the current 2020-2021 fiscal year is due primarily from the negative impact that the COVID-19 pandemic had on revenues in most of the funds. This resulted in the general fund having to transfer over 300% more into other funds than originally budgeted in fiscal year 2019-2020. As of April, 2021, room tax revenues are down 16.6% and the City anticipates transferring \$747,775 to other funds for fiscal year 2020-2021 alone.

West Wendover's economy is primarily tourism-based, making the city subject to economic fluctuations as consumers spend their discretionary income. Therefore, the City of West Wendover's governing council and city management have adopted a conservative budget philosophy, allowing the fund balances to increase in prosperous years, and conservatively utilizing the fund balances as needed in other years. The governing council and city management uses this conservative budgeting approach when estimating revenues, and expenditures.

Projections for the FY2021-2022 budget have been a challenge due to the uncertainty of COVID-19 and its impact on revenues. In the general fund, from pre-pandemic numbers, this budget reflects a 2.2% decrease in property taxes, a 2.6% increase in licenses and permits, a 5.2% increase in intergovernmental revenue, a 28.5% decrease in charges for services, a 25.6% decrease in fines and forfeitures, and a 5.8% decrease in other revenue. The recreation board fund reflects a 17.9% decrease in room taxes, and in the proprietary funds, water, sewer and compost utilities are all down.

The City is now moving forward on projects that were delayed due to the pandemic, including the construction of the City's Downtown Infrastructure, Phase 1, and the new Fire Station. Unfortunately, the construction of the Community/Recreation Center, which will facilitate the continued development of the city, has been delayed to FY2022-2023.

The mini-mall, which offered an auto care service center & car wash, a shipping depot, a dollar store, a dry cleaner and a take-out pizza parlor, was hit hard by the pandemic. Both the shipping depot and the dollar store closed but were replaced by a convenience store, and the dry cleaning store was replaced by a nail salon. The auto care service and the take-out pizza parlor were temporarily shut down but have since reopened. The medical and recreational marijuana retail facility is open and continues to have a very robust business. The 25,000 square foot, Las Vegas chain liquor store, constructed in 2017, is also open and fully operational. The chain has future plans to construct an adjacent business pad for the development of small retail businesses and a restaurant.

Approximately 30 acres of land purchased from BLM has been designed and developed as an initial industrial park for the community. The City has developed the property providing it with street and utility infrastructure making it immediately available for development and the City continues to actively pursue industries to locate therein with light industrial and warehousing type uses. This will assist the City with its continued efforts of economic diversification including the addition of job opportunities and income growth for the community. With the industrial park in place, the City has positioned itself for solid diversification growth. The industrial park currently is home to a FedEx shipping/transportation facility, a vehicle tow facility, and a marijuana dispensary establishment. The first phase of a multi-phase marijuana cultivation/production facility is scheduled for construction summer of 2021 and is currently in the plan approval process. A second and distinctly separate company has proposed another cultivation/production facility in 2022.

The City also continues to see commercial retail development occur including a new multi-million-dollar Maverik C-store Truck Stop to be located on the north side of I-80, Exit 410. They have received final plan approval and building permit issuance is expected by the end of May, 2021. As well, there are now additional companies looking to expand to West Wendover near the same location, taking advantage of the development opportunities on the north side of I-80 Exit 410.

The Port of West Wendover, which is a long-term mixed use industrial/aeronautical project and part of the City's diversification strategic plan continues to proceed forward. The project includes the acquisition (at no cost) of an initial 6,000 acres of property which was part of the former Wendover Field properties of World War II. The Air Force continues to complete its environmental work, specifically a CDERCLA clearance which is scheduled for remediation completion in the summer of 2022. Once this is complete the Air Force will release the property back to the Bureau of Land Management which will then convey the property to the City.

The City continues to see modest permit issuance for new residential construction as available housing inventory has decreased since the beginning of 2020. Additionally, though the Long Canyon Gold Mine is just a few short years away from completing its Phase 1 mining, the company (Nevada Gold Mines) is now underway with its Phase 2 environmental EIS process with the BLM which will expand the existing open pit as well as position the mine to begin underground mining. Such expansion will continue to provide production for the mine for decades to come ensuring positive growth in our area. This provides a continued positive outlook on our housing market over the next 10 to 20 years.

Our outlook at the City long-term remains positive and optimistic. The enthusiasm associated with the recent and planned growth of our City is shared not only by our City Officials, but our citizens as well. We feel the future is full of promise and look forward to a brighter national and state economy that will have a positive effect on our community.
